A VERY SPECIAL OFFER TO MEMBERS OF THE KINGSTON HISTORICAL SOCIETY.

""MOSAIC OF KINGSTON""

Mr. N. Mika of Belleville was a guest of the Society at the regular meeting held on Wednesday, March 19th, 1969.

At this meeting he told us about the book titled "THE MOSAIC OF KINGSTON" which he is producing and which will be available for purchase in Canada after April 10th. It is a beautiful 200 page edition of the story of Kingston profusely illustrated, well written and the silk screen coloured illustrations and pictures reflect the highest degree of craftsmanship of its type.

Mr. Mika has already produced a number of these Mosaics for other cities. They have been enthusiastically received in each district. At the meeting Mr. Mika held a little contest for our members and presented a "Mosaic of Toronto" and a "Mosaic of Canada" to two members who correctly answered a question on Kingston. These were lovely books and are a tribute to Mr. and Mrs. Mika who collaborated in their research, design and publication in their own printing establishment in Belleville.

Because of his intense interest in the history of Kingston, as exemplified in his MOSAIC, Mr. Mika has made a very special offer to our members.

If the members of the Kingston Historical Society will purchase 100 or more of these books which retail at \$12.00 each he will sell them to us at \$7.00 each, a saving of \$5.00 on each purchase.

We hope that we will have a specimen copy of the MOSAIC at our meeting on Wednesday, April 16th in the Council Chamber of the City Hall.

This is an exceptional opportunity available only to our members. We are, therefore, prepared to assist in this venture at no financial profit to the Society. Members are asked to fill out the form below either with an order accompanied by a cheque or an intent to purchase with payment on delivery. In the event that we do not receive orders for 100 books we shall return all cheques to the intended purchasers.

Please detach and forward.
